

IBM CLOUD ACCOUNT CREATION

TEAM ID	PNT2022TMID29369
PROJECT NAME	WEB PHISHING DETECTION
TEAM MEMBER	SRIHARI S
MARKS	2

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (SRIHARI S's Account). The main content area is titled "Dashboard" and features a "For you" section with five recommended actions: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "IBM Watson Internet of Things Platform" (Communicate with connected devices, monitor and analyze data in real time, connect your own IoT apps and add Watson AI to the solution), and "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud). Each action card includes a "Getting started" button and a time estimate. On the right, a user profile menu for SRIHARI S offers options like Profile, Log in to CLI and API, Privacy, Change theme, and Log out. Below the "For you" section, there are four more panels: "News" (Introducing Badges to IBM Cloud Certification, Announcing IBM SeyOne Network Performance Management Version 6.4, IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management, IBM to Introduce a New Incident Management SaaS Offering), "Recent support cases", "Planned maintenance", and "IBM Cloud status" (featuring a world map).
